# Monroe County Fair Service Troop Experience Information, 2017

## Cost/Participant Selection

Since you will be providing a valuable service to the public, there is no cost to join Crew 1948 to participate in the Service Troop event, though you may want to bring personal spending money. Meals, and hopefully some “extras,” will be provided for you. Participants must have a minimum 1 year experience in Scouting, be willing to work hard, meet and work with youth from other Units and take direction from Crew 1948 leaders. We have room for 40 event participants; if you are selected to participate, you will be notified by July 6<sup>th</sup>, 2017.

## Leadership

Though we are a Venture Crew on paper, we function largely as a Troop. The Service Troop experience is a yearly event held to provide services to the public through our assistance in keeping the Monroe County Fairgrounds clean. During your time as a member of the Service Troop, you will be under the direction of Crew 1948 leaders, and you are expected to afford our leaders the same respect as you would the leaders in your primary Troop or Crew. Should any problems arise at camp, they will be handled by the adult leaders of Crew 1948, though we reserve the right to consult with your regular Scoutmaster or Advisor, should the need arise.

## Uniforms/Behavior/Camp Appearance

Yes, we do some dirty jobs, but to the public we are the face of Scouting, therefore we shall take pride in presenting a neat, clean, uniform appearance. In addition to clothing suitable for working in, you will need:

- Field Uniform with correctly placed insignia. (see uniform inspection sheet/insignia guide)
- Activity Uniform—shirt will be provided upon arrival at camp

Participants in the Service Troop experience are expected to wear the uniform as directed by the adult Scouters and youth leaders of Crew 1948. Additionally, Scouts are expected to keep the campsite, both the common areas and their own tents, in a neat, orderly state. Please remember that you are representing the Scouting Program to the public, and as such your actions, language, and appearance should reflect the Scout Oath and Law.

## Camp Accessibility

Being the public face of Scouting, the Troop/Crew 1948 campsite is to remain open to the public during posted hours. Family, friends and the public are welcome in the common areas of camp ONLY; no one should be in or around your tent but you and your tentmate(s). A minimum of two leaders will be available in camp at all times. Separate accommodations are designated for male and female participants. 18-20 year old youth participants may tent together, under 18 will tent with youths of similar age.

## Electricity Availability

Except for a *monitored charging station* for cell phones and hand-held/palm-sized gaming devices, you WILL NOT have access to electricity in camp. All electronics must be clearly labeled with the Scout's name; we will provide an acceptable area and set time for game-playing. Do not bring TVs, DVD players, or any electronics other than a cell phone and/or a hand-held/palm-sized gaming device. Crew 1948 cannot be held responsible for any loss/damage to personal property. If you cannot abide by this arrangement, perhaps the Monroe County Fair Service Troop experience is not for you. Remember, we are the *Scouting* Program on display.

## Leaving the Campsite

Scouts are expected to notify Leaders whenever leaving the Troop/Crew 1948 campsite. If you are leaving the campsite, but remaining on the Fairgrounds, we ask that you utilize the Buddy System and the “Buddy Board” to indicate your whereabouts.

## Leaving the Fairgrounds

In addition to utilizing the “Buddy Board,” if you are under 18 and leaving the Fairgrounds, a parent/guardian **must** sign you out and back in when you return. All Scouts and Leaders who leave the Fairgrounds are required to sign out and in to camp. We are accountable for you at all times. Scouts under 18 with a valid driver's license and a vehicle on-site must have a parental permission slip on file in order to drive themselves to and from the Fairgrounds. Similarly, Scouts cannot be released to anyone other than a parent/guardian without the parent's/guardian's written consent. These rules are for the safety of all our Scouts and Leaders.

*\*\*\*Participation in this event affords Scouts much freedom and expects a great deal of personal responsibility on the part of the Scout. Our leaders are well-trained to operate this “High Adventure” camp which focuses on personal management skills while performing service work. If you have questions or concerns about allowing your minor child to participate in an event of this nature, please feel free to contact one of our Leaders to discuss the expectations for those who join Crew 1948 for the Service Troop experience.\*\*\**

## Parental Permission for Youth Drivers, 2017

As of February 10, 2017 the 'Transportation: Automobiles, SUVs, and Vans' Section of the Guide to Safe Scouting, ([scouting.org/scoutsource/HealthandSafety/GSS](http://scouting.org/scoutsource/HealthandSafety/GSS), 2017 Printing) BSA states that:

General guidelines are as follows:

1. Seat belts are required for all occupants.
2. All drivers must have a valid driver's license that has not been suspended or revoked for any reason. If the vehicle to be used is designed to carry more than 15 people, including the driver (more than 10 people, including the driver, in California), the driver must have a commercial driver's license (CDL).
3. The drivers must be currently licensed and at least 18 years of age. **Scouting youth (under age 18) are not insured under the Boy Scouts of America commercial general liability policy.**
4. Trucks may not be used for transporting passengers except in the cab.
5. All vehicles must be covered by automobile liability insurance with limits that meet or exceed requirements of the state in which the vehicle is licensed. It is recommended, however, that coverage limits are at least \$100,000 combined single limit. Any vehicle designed to carry 10 or more passengers should have limits of \$1,000,000.
6. Obey all laws, including the speed limit.
7. Driving time is limited to a maximum of 10 hours in one 24-hour period regardless of the number of drivers available. Driving time must be interrupted by frequent rest, food, and/or recreation stops. The intention is to include sleep and thorough rest breaks while traveling long distances. Don't drive while drowsy. Stop for rest and stretch breaks as needed. Fatigue is a major cause of highway accident fatalities.
8. Drivers must refrain from using hand-held cell phones while driving. Text messaging while driving is prohibited. Hands-free units are acceptable, but must be used sparingly while driving.

The commercial general liability policy is excess over any insurance, including local council owned, non-owned, hired, or leased automobile liability insurance, which may be available to a volunteer for loss arising from ownership, maintenance, or use of a motor vehicle while engaged in an official Scouting activity.

Scouts who meet these applicable conditions, and have parental permission if under 18, will be allowed to sign themselves in and out of camp and drive themselves, unaccompanied and unsupervised, to and from the Fairgrounds.

I, \_\_\_\_\_, understand that my minor son/daughter \_\_\_\_\_ does not meet the criteria set forth in the BSA Driving Policy, but I hereby give him/her permission to drive him/herself to and from the Monroe County Fairgrounds, unaccompanied and unsupervised, for the purpose of participating in the Monroe County Fair Service Troop 1948. I further give him/her permission to sign him/herself out of camp in order to leave the facility ***for the dates and times indicated on the back of this form ONLY.***
