

Troop and Crew 1948

76th Annual Monroe County Fair Service Week Event July 30th- August 6th, 2023

Monroe County Fairgrounds: Corner of M-50 & Raisinville Rd. in Monroe, Michigan

We are looking for service-minded Scouts, male and female, who would like to participate in a <u>FREE</u> week of camping and fun with the <u>Second Oldest Service Troop in Michigan</u>!

Young men and women are needed to pick up litter on the grounds and perform various duties to assist the Monroe County Fair Board. There is no cost to participate--all meals, a t-shirt, and a patch will be provided. In addition to accumulating camping nights and service hours, Scouts who choose to do so may also work on other advancements. There will likely be free shows and other benefits participants can share in as well! Application packets, available on our webpage beginning in mid March, are due June 15, 2023.

Scout participants must:

- •Be a member in good standing of BSA and have a Scoutmaster's/Advisor's recommendation to participate.
- •Have a minimum of one year of experience in the Scouts, BSA or Venturing Programs, including at least one long term camping experience. (This requirement may be waived if applicant has equivalent experience and their Unit Leader's recommendation.)
- •Be present at the start of the event (no midweek arrivals allowed) and live on site all week.

Adult participants must:

- Be a registered leader with Boy Scouts of America and be at least 21 years of age by the start of the event.
 Have current Youth Protection Certification and have completed other applicable BSA training.
- •Live and work onsite all week or come out to help on a daily basis.

For more information, or to schedule a presentation:

Arthur D. Bomia, IIIAdvisor/Scoutmaster734-735-5941Robert G. Gessner, IIIAssociate Advisor/Assistant Scoutmaster734-819-8057
