

STREET OEM STOCK DEMOLITION DERBY RULES 2025

If it doesn't say you can, then you can't. Any vehicle that is built any more than what is listed below will not run in this class.

Any 1980 and newer 2-wheel drive passenger car or minivan. No trucks, convertibles, jeeps, full size vans, travelalls, suburbans, hearse, utility vehicles or V-8 engine vehicles allowed.

Vehicle must be stripped of all glass, headlights, taillights and anything else that could fall off onto the track during the show.

Vehicles must remain stock to original OEM build. Do not alter the bumper in any way. Factory bumper shocks must remain in the factory location if used. No welding on bumpers. You may double strand 9 wire the bumpers in 2 locations per bumper.

NO WELDING anywhere besides the driver's door. Driver's door welds limited to maximum 6 inches per vertical seam. All other doors must be wired, chained or seat belted in 4 places per seam.

Batteries may be left in stock location or moved to passenger floor or seat area. Battery must be covered and completely secured in place. If the battery is located behind the axle it must be moved to the rear seat area.

Factory gas tank may remain in place if it is in front of an axle. Factory or aftermarket tanks may be used but must be completely secured in place.

Hoods and Trunks may be wired or chained in 4 places total. Sheet metal to sheet metal only. Nothing to frame. If you remove trunk wire or chain 2 places total.

For driver safety, rear seat bars may be added and welded post to post. Simple cage 2x2 may be installed but no legs to sheet metal. Driver door only may have plate welded to outside (maximum 12" wide, no more than 8" beyond driver door) or door filled with concrete for driver safety. Approved seat belts, helmet, long sleeve shirt, long pants, full coverage shoes required.

DOT tires only. Stock wheels with no metal added to them. All wheel weights must be removed. Only tubes and air are permitted inside of tires.

All cars should be presentable. No offensive language, symbols or images allowed (swastikas, Confederate Flags, profanity, etc.). Numbers must be on both doors and roof, minimum size 16" high, 2" wide, contrasting color to rest of car paint.

If it does not say you can do it then that means **YOU CANNOT** do it.
