The purpose of this tournament is so youth in the county summer recreation programs can represent the community they are competing in as All Stars. This should be looked at as a reward for having a good season in their in-house leagues.

1. National Federation High School Baseball Rules apply when not covered by the following:
2. Age limit of players will be twelve (12) years old. A player may not turn thirteen (13) years of age before May 1, 2026.
3. Teams will represent local summer recreation programs in Monroe County.
4. Teams are to be composed of All Star Players registered and competing in the township/city in-house summer leagues they are representing.
5. **At the start of the Baseball Tournament, coaches must have in their possession a copy of the team rosters of all eligible competing players. If there is a challenge concerning a player's eligibility, the player(s) in question will not be allowed to play until the roster is produced and the player(s) is/are verified.**
6. **All coaches must have copies of recorded date of birth for all players. This could be a birth certificate, passport or church baptism. If proof of date of birth cannot be produced for a player in question, that player cannot play until it is produced and verified. These will not be turned in to tournament officials.**
7. Each player must have a parent consent form signed by a parent or legal guardian. The parent consent forms must be turned in to the tournament officials at least 15 minutes prior to the player's first game. This condition must be met before a player can compete.
8. Team rosters consist of no more than fourteen (14) players. Please submit rosters to tournament officials at least 15 minutes prior to the scheduled time of the team's first game. No changes to the roster are allowed after it has been submitted to the tournament officials.
9. The manager or coach from each team **must turn in a lineup card to the official scorekeeper and opposing team fifteen (15) minutes prior to their scheduled game time.** Batting order with uniform numbers, player's first and last name defensive position and any substitutes must be included on the lineup card. Lineup cards will be provided by the tournament officials. *Any changes made after the sheet is turned in will constitute a player change.*
10. **ON GAME DAY, PRACTICE IS PERMITTED OUTSIDE OF THE FENCE ONLY.**
11. Each game is scheduled for six (6) innings, unless time limit or mercy occur. Each game will have a 1 hour and 45 minute time limit. The time of the game will start when the pitcher throws the first pitch of the game. When the game is tied after 6 innings of play the tie breaker will be used. **TIE BREAKER:** The last batter in the 6th inning will start the 7th inning on second base for each half of the inning. As long as the game remains tied each ½ inning will begin with the last batter of the previous inning on second base until a winner is determined.
12. No new inning will start after the 1 hour and 45 minute time limit expires, unless the game is tied. The tie breaker will determine a winner.
13. Games which are started and are later called off by weather conditions or darkness and are not resumed the same day will be treated in the following manner: The completion of 3 ½ innings if

the home team is ahead or 4 innings if the visiting team is ahead will be a complete game. If this condition isn't met and if the game is tied after four (4) innings of play the game will resume at the exact point of the interruption.

14. Illegal Bats: Bats altered from their original design are illegal.
15. A pitcher may pitch a total of six (6) outs per game. Once the pitcher is removed from the position of pitcher the player IS eligible to pitch again (one time) in the game. 16. Curve balls/breaking balls are prohibited. (Fastballs, change ups, and knuckleballs are ok.) Balks will not be called.
17. Stealing 2nd and 3rd base is allowed. A base runner may leave the base once the ball crosses the plate. The base runner leaving the base early will be called out. A runner may steal home or score on a passed ball or wild pitch ONLY 1 TIME PER INNING PER TEAM.

21. If an injury occurs and a player cannot continue, and there is no substitute eligible to enter the game for the injured player, that player's position in the batting order will be considered a strikeout, unless the opposing Head Coach allows that spot in the batting order to be "skipped."
22. Mercy rule is as follows: 15 runs ahead after 3 or 10 runs ahead after four innings of play
23. Courtesy runner may be used for the catcher only and can be inserted at any time. The runner must be the last player who made an out, or a substitute who has not yet entered the game.
